CENTRAL LABOR UNION MEETING.

Reports of Work Accomplished by Committees and by the Union.

The Central Labor union was called to order last night by Vice President Anderson. Credentials were received from L. A. 3,229, K. of L. Wood Carvers' association and Holland Furniture Workers' union, which were accepted and delegates obligated. Secretary Thompson presented the receipt of William A. Weine, president of the Amalgamated association of steel and iron workers, for monies sent to aid the Homestead strikers. Ed Ledward of the Cabinet Workers' union reported that a big mass meeting would be held soon at the Germania hall. Henry Weissman of the New York Central Labor union will be the speaker of the evening. The retail clerks and butchers asked that only those clerks who wear their badges shall be patronized. The boycott on the Red Cross store has been taken off. The barbers report No. 14 West Bridge street as an unfair shop. H. J. Klevorn reported the Sunday closing movement a success. Henry Newman's store is not a union store. The wood carvers reported that they were thankful for the support they received from organized labor in defeating James A. Coyne. The following grievance committee was appointed: William DeYung, Frank Steinberger and George Robson. William A. Hyde and Joseph Perkins were appointed on the organization committee. The press committee were instructed to prepare an appeal, to be published in the daily papers, asking all trades unions to send delegates to the Michigan Federation of Labor, which meets the first Tuesday in December at Muskegon.

DOCTRINE OF THE TRINITY

Discussed by the Ministers' Conference Yesterday Afternoon.

The Rev. Sanford H. Cobb, president of the ministers' conference, is out of the city, and the Rev. C. S. Goodman was chosen to act in his place at the meeting of the conference yesterday afternoon. The meeting was held in a room in St. Mark's church, owing to the fact that the Y. M. C. A. is moving out of its rooms on Division street into the basement of the new Y. M. C. A. building on Pearl street. The conference passed resolutions of sympathy with the Rev. Dan F. Bradley in his affliction and prayer was offered for his own recovery. The conference also passed resolutions thanking the Y. M. C. A. for the use of its rooms during the past year.

The paper of the afternoon was read by the Rev. C. Mulken, his subject being "The Doctrine of the Divine Trinity." The paper was discussed fully by the ministers and the meeting adjourned. The next paper will be Secretary Ward of the Y. M. C. A., of association work. The conference will continue to hold its meetings in St. Mark's church at 2:30 p. m. Mondays, until the Y. M. C. A. is ready to receive it again.

WAS A CLOSE CALL.

Frank Kolczynski and His Wife Narrowly Escape Asphyxiation.

Frank Kolczynski and wife, who reside at No. 173 Asbury street, had a narrow escape yesterday from being suffocated by gas from a coal stove. About noon a neighbor called at the Kolczynski residence and noticed that the curtains were all down and the doors locked. Thinking this strange she peered into a bedroom window and was horrified to see Mrs. Kolczynski lying on the bed apparently dead.

She at once gave the alarm and several men responded and broke down the door. When they entered the house they were almost overcome by the foul gas from a coal stove, the doors of which had been left partially open. The chamber in which the family was sleeping contains two beds, one of which Kolczynski was lying on.

His wife was on the other. On the floor was a four-month-old baby playing, as if the angel of death was not staring its parents in the face. The windows were thrown open and Dr. Hake was called. Hypodermic injections and restoratives were applied, but for a time without avail, but at last they began to show signs of life and will recover.

The child's not being overcome is laid to the fact that while playing on the floor and a draught of cool air came in under the door.

Rice-Kerwack.

Dr. J. J. Rice and Eugene A. Kerrwack took out a marriage license yesterday. Dr. Rice will be remembered as the defendant in a divorce suit brought by his wife, who, in a very sensational bill, charged him with infidelity. He filed an equally sensational cross bill, in which he charged her with infidelity. The decree of divorce was granted on March 31. Soon afterwards Mrs. Rice married Fred Leonard and the doctor completed the family drama by marrying his bookkeeper.

No Hoodlum Need Apply.

Night school opened last night in the North Division street school, with forty-five pupils in attendance. Each pupil was armed with a permit from the superintendent of schools, without which no one will be allowed to enter the night schools this year. Last year in some of the suburban schools rough boys got in and destroyed books and material belonging to pupils in the day schools. By the system of permits it is hoped to keep out the hoodlum element.

University Extension Reference Books. The following books were placed on the shelves of the reference library yesterday. They will remain there during the university extension lecture.

\$5 A MONTH.

Consultation, Examination, Medicine, Treatment.

Could anything more reasonable be asked? When to consult in medical specialties sound business principles are added, a physician is bound to succeed. The fee as above stipulated is absolutely low, but there is a reason why it can be done. The cases that come to us are chronic and as such usually demand more than one month's treatment. If we could cure all cases of catarrh and kindred troubles in one month our charges would be much higher. It is of frequent occurrence now for patients who took a month's treatment of us last spring, and then wanted "to wait awhile" and see if it wasn't enough, to come in and say, "Well, doctor, you are all right, I find the catarrh was still in my system and I quit to see if I am going to stay with you until I am cured, as I know you can cure me."

S. W. MILLER, M.D. M. R. Y. OFFICES.

S. W. Miller, connected with the Chicago & West Michigan railway, wishing to inform people suffering with catarrh when they can find relief and who the best specialist in the city is, says: "I had been a victim of catarrh for several years and had been suffering greatly from it when I began treatment with Dr. Rankin. I had mucus dropping into my throat all the time, stuffy nose, etc. I gave me so much trouble in my head that it was very difficult to keep a connected train of thoughts. I had all the aggravated symptoms. The first treatment Dr. Rankin gave me I experienced relief and each succeeding one was of similar benefit until now my head is clear as a bell, no pain over my eyes, no filling up of the nostrils, and spitting, etc. I would strongly advise anyone afflicted with disease of the nose, throat or lungs to go to him, as he is pre-eminent in those lines and the best specialist in the city."

Dr. Rankin is a graduate of Ann Arbor and has had years of experience in his specialties.

The Offices of the MONTAGUE TREATMENT

Are Permanently Located at Rooms 15-17, Powers' Opera House Bldg.

Where all diseases of the nose, throat and lungs are successfully and scientifically treated by an improved method and absolutely without pain. All kindred diseases given special attention, such as dyspepsia, catarrh of the bowels, rheumatism, piles, etc. Consultation, examination and one treatment free.

CATARRH CURED.

Office hours 9 to 11 a. m., 1 to 5 p. m., 7 to 9 p. m.; Sundays 2 to 4 p. m. Cancer cured without the knife. Patients at a distance successfully treated by mail. When writing include 4 cents in stamps for synopsis and symptoms blank.

Funeral at the Fourth Reformed church this morning at 2 p. m.

E. G. Cherryman, funeral director, No. 25 Fountain street.

All About a Dress.

Mrs. Brown's new dress has caused considerable talk of late. She said it cost her less than a dollar, but none of her friends thought that possible.

The secret is out at last, however, for Mrs. Brown told a friend that the dress was really her faded grey serge that she dyed over with fast brown diamond dye and brightened up with a few new ribbons. "Diamond Dyes," Mrs. Brown says, "are made especially for home use and never fail to give good results if the simple directions are followed."

Would you ride on a railroad that uses no danger signals? That cough is a signal of danger. The safest cure is Dr. Wood's Norway Pine Syrup. Sold by all dealers on a guarantee of satisfaction.

To Elephant Drivers!

Those who do not drive elephants and the whole people,

Pettibone, the Shoe Man

exists because he has shoes of better quality, lower prices, more style to the square inch than any other shoe man in Grand Rapids. Some people know a good shoe when they see it, and Pettibone's invariably low and unapproachable cash prices compels them to buy. Goods bought for cash—marked in plain figures—by a man who knows his business, and retailed for cash only—are the only trade winners necessary to frugal, smart people. That's why Pettibone, the Shoe Man, exists in your midst at 30 Monroe Street.
